Hunt with Matt

Hunting since 1978, Matt has been guiding big game hunts in Alaska since 1991. He is an experienced Alaskan Licensed Bush Pilot and Aircraft Mechanic with thousands of hours of flying time in Alaska.

Our home and base camp is located at the edge of the TMA boundary, and you will likely spot sheep from the house. Matt will be out scouting and keeping track of populations as he traps and flies the area throughout the year.

He is a longtime volunteer board member of the local Alaska Fish and Game Advisory Board.

Decades of hunting and volunteering in the TMA and surrounding area put Matt in a category of world class hunting experience that is unparalleled.
