"The hunt was more than we could have ever asked for. Part of the hunt that was special for us was not just hunting, but spending quality time with your wonderful family. You did an amazing job. Being a outfitter in Wyoming and Montana myself, there is no part of your operation that I would not highly recommend. We look forward to hunting with you again in the near future. Thanks again for everything."

"I appreciated the extra miles you put on looking in every corner to find a sheep. My first sheep hunt was a great experience thanks to you. I will be back. Of all the hunts I have been on, your efforts and attention to your hunters far exceeded any other outfitter I have hunted with. Also, thanks again for setting me up with the gear I needed due to my lost luggage."

Gerry Tadina 2008

"Matt Snyder and Alaska Hunting Adventures are a first time sheep hunter's dream! Matt, Frank and Sue possess decades of TOK Area sheep knowledge that would impress any veteran sheep hunter, yet seem to be the humblest and most sincere of people. Anyone that has the desire to hunt the great white sheep of the north should strongly consider Alaska Hunting Adventures. I can't adequately express to anyone considering the TOK Area, to hunt with Matt and the Entsmingers. They have my absolute appreciation and admiration. I wish them the best!"

"My hunt was first class all the way. I saw over 20 Rams in that unbelievable country and with Frank's expertise I feel we shot the best Ram we saw. I would use Matt and his family again."

Mitch Cain TMA Ram 2009

This is a picture of the sheep I took in the TOK Management Area on a backpack hunt. He was 11 yrs old with a 36 inch length of horn and 3-4" broomed off. It was incredibly difficult, but worth it. I won't soon forget this memorable hunt. Sue Entsminger was a tough guide and Matt Snyder (her son) runs a great outfit. Best,

"Matt Snyder and his folks, Frank and Sue Entsminger are great people. They provided me with a great time and a good experience (number one operation). They treat you like family. I was honored to hunt with Frank. I wanted to hunt the Tok with great people and I did. I'd hunt with these folks any time. Matt runs a small operation with first class service. Frank and Caleb are two great guys to spend time in the mountains with. Many thanks!"
